

# Hvad hun vil

(What she wants)

## Logline

This is an invitation for you to experience the uncovering of a great woman of history, in conversation with a successful woman following in her footsteps.

## Synopsis

This is a short-documentary. Our intention is to make Line Luplau come to life. In the form of re-enactments of some scenes in her life. Showing the many ways that she communicated with flyers, speeches from events and letters that she wrote. Using historically well-kept locations and streets.

## Information

My name is Adrian Kjösberg. I'm a student of the [European Film College](#) (Denmark). I'm producing a historical documentary. Currently, I'm contacting København Kommune about filming permissions. The director and I would appreciate, if anyone would allow us to film in front of their houses on the streets of Humleby.

## Filming

Mainly, the 21<sup>st</sup> to the 23<sup>rd</sup> of December. Possibly, the 30<sup>th</sup> to the 31<sup>st</sup> of December.
